CR3100 Cash Drawer Series

CR3100 Series Cash Drawer

The CR3100 series cash drawer has a patented screw less tamper-resistant design for added security. It also has a special feature that cushions drawer slams reducing vibration to surrounding electronic devices. With durable metal construction, the CR3100 series is a low profile, compact drawer with high reliability and strength. The coin and bill compartments are adjustable and a locking tray cover is available. A 3-position key lock provides additional security and convenience.

Key Features:

- "Screw less" innovative design
- Adjustable bill/coin compartments
- Advanced mechanical design to extend the MTBF to 1,000,000 times
- Precision machining assures wobble-free drawer movement
- Check slot for non-cash or high denomination currency transactions
- Three level lock for maximum cash security
- Open-drawer indicator output
- Supported Interfaces: USB and printer driven
